**Activity One: Learn to Find Evidence to Support Points Made by a Speaker in a Movie about the Oregon/California Trail**

**Common Core Standard for 4th Grade**

**3. Identify the reasons and evidence a speaker or media source provides to support particular points.**

A. Think about and discuss this question: What does it mean to find evidence in media (a movie) to support points made by a speaker?

B. Read and think about these two points:

1. Covered wagons, used by pioneers, were a sturdy form of transportation.
2. Covered wagons had a good variety of useful items to take on their journey west.

C. Watch and listen carefully to the movie, "Getting There."

D. Take notes to help you support this point:

1. Covered wagons, used by pioneers, were a sturdy form of transportation.
