

REGIONS Literacy Card 17

Sacramento is the capital city of the State of California . It is located in the Central Valley Region.

REGIONS Literacy Card 18

Elevation is the height of the land, measured from sea level.

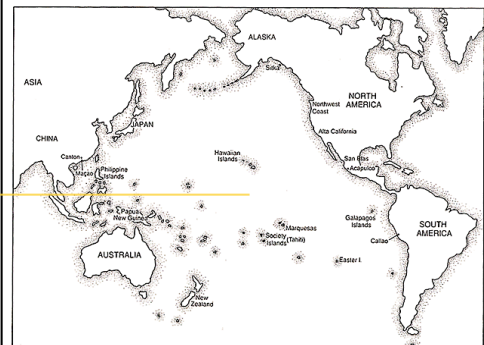

REGIONS Literacy Card 19

A long time with little or no rain is called a drought.

REGIONS Literacy Card 20

California is located in the Pacific Basin. One reason this is important is that people, ideas, and goods come together, here, from all over the world.
