

Using Everyday Math (EDM) at Home

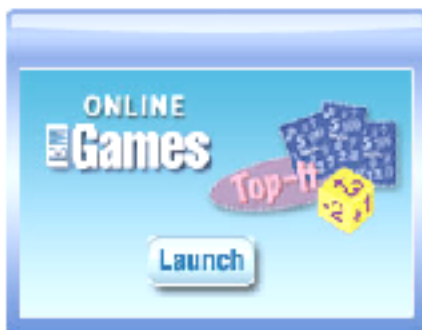

1. Go to the URL. <https://www.everydaymathonline.com/>

2. Enter your student's Username and Password.

3. Your student can use the Interactive Student Reference Book to help with homework. Students can play online games and use other resources.

Everyday
MathematicsTM

4. To assist your student, parents can look at the Family Letters to find answers (or other information) related to EDM homework pages.
